

# The Untold Story of William G. Morgan – Inventor of Volleyball

by Joel B. Dearing

## Now available . . . . .

By the turn of the twenty-first century, volleyball had spread throughout the world, its number of participants second only to soccer's. And while the growth and development of the sport has been well chronicled, one story has remained untold –the story of the inventor of volleyball, William G. Morgan.

The Untold Story of William G. Morgan – Inventor of Volleyball reveals the people and places that surely influenced Morgan throughout his life and during the time he invented one of the most popular sports in the world. Although Morgan is widely recognized by name, the complete story of his roots, his trails, and his adventures had never been recorded – until now.

Joel Dearing is an associate professor of physical education and the head women's volleyball coach at Springfield College in Springfield, Massachusetts.

His collegiate teams (both women's and men's) have won more than 800 matches over a span of 36 seasons.

He currently serves on the Honorary Board of Directors of the Volleyball Hall of Fame.
